

Befesa Zinc announces third quarter 2012 earnings conference call

October 23rd, 2012

Befesa, the company that develops innovative technology solutions for sustainable development in the industrial waste recycling sector, today announced that it will release the financial results of its subsidiary Befesa Zinc, S.A. for the third quarter of 2012 on Tuesday, November 20th, 2012. The information will be published on Befesa's website: www.befesa.es

Befesa Zinc is the European leader in the recycling of steel and stainless steel dust.

Befesa Zinc's CEO, Asier Zarrakonandía, Financial Controller, Marta Deprit, and Head of Strategy and Investor Relations of Befesa, Rafael Pérez, will hold a conference call at 15.00pm ECT, 14.00pm GMT, to discuss financial results for the third quarter 2012 and allow for questions and answers.

The presentation will be available on Befesa's website from 12.00pm ECT, 11.00am GMT on the same day. In order to access the conference call participants should dial: +34 91 788 93 03 (from Spain) or +44 207 75 09 908 (from abroad). A replay of the call will be available dialing +34 91 787 96 70 (reference number 279700#) two hours after the conference call is completed.
