Abengoa reaches a final agreement with Triton for the sale of 100% of Befesa

- The deal values Befesa at an enterprise value of €1,075 million.
- Completion of the transaction is expected by mid-July.

Seville, 14 June, 2013 - Abengoa (MCE: ABG.B), the company that applies innovative technology solutions for sustainable development in the energy and environment sectors, has signed a final share purchase agreement for the sale of 100% of its subsidiary, Befesa, to funds advised by Triton ("the Funds"). Completion of the deal is subject only to approval by competition authorities and is expected during the first half of July.

In line with the exclusivity agreement entered into by both parties on April 18, 2013, the transaction values Befesa at an enterprise value of €1,075 million. After customary net debt adjustments, total consideration for Abengoa amounts to €620 million: €348 million cash consideration at closing, expected in mid-July, a vendor note of €48 million with a five-year maturity, and deferred consideration valued at €225 million, which shall be received by means of a convertible instrument, exchangeable into 14% of the shares of Befesa at the moment of the exit of the Funds from Befesa or certain other events.

Befesa is an international company that specializes in the integral management of industrial waste, with plants in Germany, Spain, United Kingdom, France, Sweden, Turkey and South Korea, as well as Chile, Argentina and Peru. Thanks to the dedication of its more than 2,000 professionals, Befesa is a leader in the steel dust and salt slags recycling sectors in Europe and has successfully developed an ambitious international expansion plan. Befesa's successful management team, led by CEO Javier Molina, looks forward to delivering on its ambitious growth plan and working with Triton.
