## Befesa receives the 21st edition of the Citizens Award

*Granada, 7 November, 2017* - Befesa has been awarded with the Citizens Award in recognition of its track record, its values, the commitment of the company to preventing labour risks, its protection of the environment and the excellence of its operations.

The ceremony took place in the idyllic setting of the Carmen de los Mártires in Granada, where the most important figures of the region as well as the other award-winning entities and people gathered together.

Alfredo Velasco, Business Development Director of Befesa, was the one to receive the award, highlighting that Befesa regards health, safety and the environment as an integral part of the company, achieving these values with a desire for excellence and continuous improvement. Moreover, he pointed out that Befesa shows a great concern for sustainability, environmental protection and the well-being of its employees and partners, which, while requiring effort, hard work and investments, translates into a reduction of accidents and incidents, operational excellence and the minimization of environmental impacts.
