

Are you looking for meaningful work and ready to put the circular economy into action?

With us you are not just doing a job - you are helping the environment and preserving our resources. Our employees are a key factor for the daily operations of Befesa as well as for the strategic development and future of the company.

Join our team as a **Supply Chain Coordinator** at **Befesa Zinc US Inc.** in Pittsburgh, Pennsylvania, United States and start immediately.

Your role and tasks:

- Coordinate all inbound and outbound traffic while maximizing cost effectiveness.
- Tracking data for Rail and Truck logistics related to customers to compile reports for manufacturing plant decisions.
- Corporate management reporting on supply chain transactions and costs.
- Visit customers, plants and vendors.
- Customer service interaction to assist with supply chain and logistics issues from our customers. One of our services as a company is to provide this service to assist our customers to get their materials to our processing plants.
- Rail and truck tracking, diverting and scheduling to optimize and keep our manufacturing plants full.
- Supervisor and coordinate with 3PL providers to provide services.
- Assist with BOL and other shipping documentation locally and globally.
- Assist in rate negotiations with carriers.

Your profile:

- Degree in business administration, supply chain management or a close related field.
- Ability to learn and work in a fast paced environment related to Trail and Truck traffic.
- Effective communication, including writing, speaking and interpersonal communication.
- Excellent customer service and client relations skills.

Befesa is a leading international provider of environmental, services to the steel and aluminium industries with facilities located in Germany, Spain, Sweden, France, as well as in the USA, China, South Korea and Turkey. Contributing to a more sustainable world is at the core of Befesa's business.
