

Shape a greener future with us!

Are you passionate about environmental protection, workplace safety, and quality management? Join Befesa Zinc Korea Co., Ltd. and become part of a team committed to sustainable industrial practices and operational excellence. We are seeking an experienced professional to join our **Environment, Health, Safety and Quality (EHSQ) Team**.

Your tasks:

- Manage integrated environmental systems, including air, water, and waste management
- Oversee waste recycling processes and ensure compliance with environmental regulations
- Handle hazardous chemical substances in accordance with applicable laws
- Ensure compliance with Serious Accidents Punishment Act and Occupational Safety and Health Act
- Perform quality control of raw materials and final products
- Interpret and apply relevant environmental and safety regulations
- Support continuous improvement in EHS and quality performance

Your profile:

- Minimum 5 years of relevant professional experience (Assistant Manager level or above)
- Bachelor's degree (4-year university) or higher
- Practical experience in environment and safety management
- Ability to interpret and apply regulatory requirements
- At least one environment-related certification (air, water, or waste)
- Manage integrated environmental systems, including air, water, and waste
- Interpret and apply relevant environmental and safety regulations
- Support continuous improvement in EHS and quality performance

Preferred Qualifications:

- Proficiency in English communication is preferred
- Strong computer skills (e.g., MS Office) are an advantage
- Prior experience in a similar role would be beneficial

We offer you:

- Full-time position (3-month probationary period)
- Pleasant work environment and atmosphere.
- Salary commensurate with experience
- Wide range of opportunities for continuing education.

About Befesa

We have been a global leader in the circular economy since 1987. Our mission is to minimize the environmental impact of the steel and aluminium industry. With locations in Europe, Asia and North America, we set global standards for sustainability. Would you like to know what our employees say about Befesa? Then take a look here!

Diversity is our strength

Your skills count with us - regardless of age, gender, origin or background.

We welcome applications from individuals of diverse backgrounds as we value and encourage diversity in all its forms, including but not limited to gender, color, age, ethnicity, physical ability, sexual orientation and religious beliefs.

Ready to help shape the circular economy?

Apply now and let's create a sustainable future together
